

GOD CREATES AND CARES

Older Children

God is Creator:

Draw what you think is the best thing in creation:

Write a short prayer, thanking God for it:

God cares for... (Psalm 146:7-9)

Match the different kinds of people, with what God does for them:

| | |
|--------------------------|--------------------------------|
| the oppressed (bullied) | lifts up |
| the hungry | sustains (helps) |
| the prisoners | gives sight |
| the blind | gives food |
| the bowed down (sad) | upholds the cause (fights for) |
| the alien (foreigner) | sets free |
| the fatherless and widow | watches over |

Psalm 146

Notes for parents:

These sheets are to help children think about what God is like.

Take time to ask the children what they think God is like.

You could ask them what their favourite thing in creation is. Then make sure they know it is God that made it.

- The sheet for older children has some activities that help them think more about Psalm 146. They need to read the Psalm to help with some of the questions.
- The sheet for younger children needs them to colour in and cut out these pictures, then stick them on the sheet in the order that is recorded in Genesis 1.
