

Notes for Parents

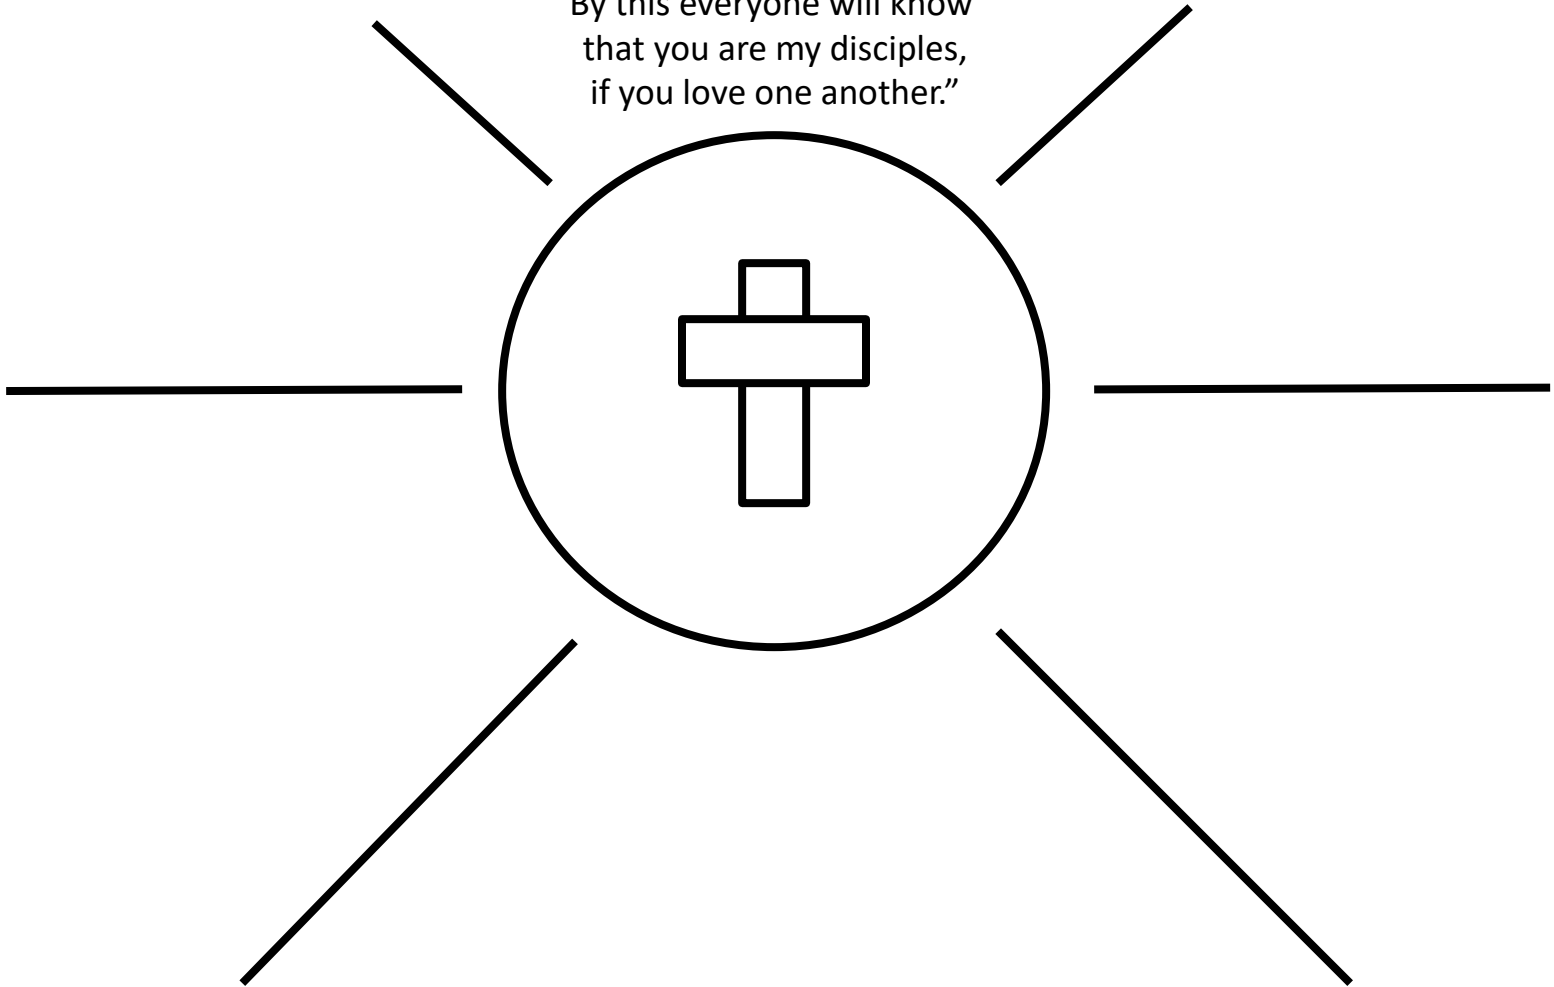

Please use these worksheets to encourage your children to think further about the children's talk.

This week there is just one sheet to encourage them to apply the teaching to their own lives.

- See if they can draw examples of people showing love to one another.
- To encourage them with this get them to think of times that people have been kind to them or helped them – especially when they have made a special effort to do so.
- Or perhaps they have seen people be kind to or helped others in such a way.
- Or perhaps they could think of things they had wished people had done to help them.
- You can talk to them about why when we treat one another in this way, it shows that we are truly following Jesus.
- They may also like to decorate the circle in the middle.

Love is... Shining

Jesus says,
"A new command I give you: love one another.
As I have loved you,
so you must love one another.
By this everyone will know
that you are my disciples,
if you love one another."

In between the 'rays' draw examples of Christians loving one another.
