

Notes for Parents

- There are three sheets all designed to help your children think about the resurrection.
- The first sheet is a spot the difference to show the difference between Jesus's tomb just after they put his body in it, with the tomb on the first Easter Sunday morning.
- The second sheet is a colouring sheet and shows the eleven disciples (Twelve without Judas Iscariot), who were just some of the people who saw the risen Jesus. This should encourage the children that there were lots of witnesses to the resurrection.
- The third sheet is a word search to find some of the key words in the verses that sum up what John's gospel is all about.

“Jesus did many other miraculous signs in the presence of his disciples, which are not recorded in this book. But these are written that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name.”

John 20:30-31
