

Notes for Parents

- You can read about Peter denying Jesus three times in John 18:15-18 and 18:25-27. You can read about Jesus appearing to the disciples by the sea of Galilee in John 21:1-14.
- The sheet for younger children is a colouring in sheet, with some questions to help them think about the story.
- For the sheet for older children they will need to read John 21:1-14 for themselves then answer the questions and fill in the cross word. There is also a little puzzle to see what the Greek word for fish was used as a mnemonic for remembering who Jesus was.

Peter

1. Before Jesus died, Peter said he did not know Jesus three times. How did Peter feel?

2. Jesus was alive again! He met with Peter three times. Where did he meet them the third time?

3. When they did what Jesus said they caught 153 large fish! How heavy was the net?

4. Then they realised it was Jesus. What did Peter do?
