

## **Phase 1 lecturer training 7-11 February 2022**

We are about to launch into our third lecturer training session since Christmas. This time, we will be running Phase 1 (the introductory week) online with a new group of 50 lecturers from Kenya and South Africa.

Here are the specific prayer points:

1. Pray that all will go well technically as this is the first time we are running from our new office at the college, and it is not quite fully set up yet (as of Thursday).
2. The government has just announced that there will be power cuts lasting until next Monday. Pray that the college generator will run effectively when it needs to.
3. Pray that we manage the feedback and interaction with such a large group of participants. It is the largest group we have ever trained online.
4. Ask the Lord even now to prepare hearts to be opened to learning and change.
5. As always, pray for stamina for the facilitators (Dick and I, with Karen and Nancy assisting).

We are aware of how much of a privilege it is to serve the Lord's people in this way. We cannot do it in our own strength. Thank you for participating in prayer!

With our love in Christ,

Caroline and Dick
